Pope Emeritus Benedict XVI bluntly put it,
"Without the Eucharist, the Church simply does
not exist." St. John Vianney proclaimed, "If we really
understood the Mass, we
would die of joy."

Fr. Jim Golka of
North Platte St.

Patrick Church will
help us see how our
encounter with Christ
in the Eucharist shapes
every aspect of our
lives. We will conclude
with stories from our
tradition that might help us to better appreciate
the gift of the Eucharist.
